

**SUSSEX COUNTY
LOCAL EMERGENCY PLANNING COMMITTEE
MINUTES FOR
NOVEMBER 12, 2009**

There were 14 members in attendance.

Tier II Manager- Shannon Splittorff from DNREC-EPCRA provided the LEPC with the updated status of the Tier II reporting process, with 20 outstanding submissions. There will be a Tier II training workshop on Thursday, December 10, 2009 at the Sussex County EOC.

Incident Reports- Tim Cooper of SCEMS reported no DECON responses since the last LEPC meeting.

DEMA Updates- Maureen Murray from DEMA reported on the DENS system.

Sussex LEPC Updates- Chip Stevenson reported on the following subjects:

- He has begun the process of facility visits. PATS Aircraft was visited in the Georgetown Air Park, as well as Schagrin Gas.

- He provided a slide show presentation about the LEPC Chairman's roles and responsibilities at Sussex County Association of Town's (SCAT) monthly meeting.

- He reported that he would be attending the EPA-Region III Conference in Baltimore, MD from November 15-November 19.

PRESENTATIONS:

Doug Williams of GW Stephens, a local surveying/engineering firm, provided a presentation of the company's 3-D laser imaging capabilities. He talked about the mechanics of surveying and some of the possibilities available through the emerging technology.

Cheryl Littlefield provided the LEPC an overview of her role as the Trauma and Emergency Management Coordinator for Beebe Hospital. She also talked about a recent drill testing the hospital's DECON team response and operations.

NEXT MEETING: THURSDAY, JANUARY 14, 2010, 10AM AT THE SUSSEX EOC IN GEORGETOWN.
